1729 1/2 Agua Fria St., Santa Fe, NM 87505

---

## Education

**University of Utah** (Current GPA of 4.0)

**Expected Graduation: Spring 2024**

- Double Majoring in Atmospheric Sciences (with a focus on Environmental Science) and Modern Dance
- Now enrolled in Math 1220 and Atmos 1010 and will be taking Chem 1210 and Atmos 1000 in the spring

**Santa Fe Preparatory School** (Unweighted GPA of 3.82)

**Graduated Spring 2020**

- Graduated Cum Laude (top 10 in my class)
- SAT Superscore 1450 (Math 730) AP tests Calculus AB:5 and Environmental Science:5 and Calculus BC:3

## Work Experience

**Kiotti Clothing Store**

**June 2020- December 2020**

**Internship with AMENERGY Solar Company** (<https://www.amenergynm.com/>)

**May 2020- June 2020**

- Developed curriculum to incorporate solar energy and designed lesson plans with my mentor and educators
- Learned how to approach problems from different perspectives to clearly relay the information to others

**Santa Fe Tails Dog Daycare and Resort**

**June 2019- August 2019**

## Activities/Leadership

**Organizer of Community Climate Forum (Public Event)**

**December, 2019**

- Created a website and a social media along with distributing flyers to advertise the event
- Designed the layout of the event in order to best reach as many members of our community as possible

**Volunteering at Community Farm**

**Summer 2019**

- Weeded field and harvested fruit trees to benefit crop yield so \$25,000 could be donated to hunger efforts
- Organization hosted outreach education in sustainability, industrial scale composting, and donation

**Volunteering at Local Organizations with the Teen Action Program (TAP)**

**2014-2019**

- Played with 3-5 year olds at a local Headstart Preschool to create a caring and healthy learning environment
- Acted as a Teaching Assistant in children's dance classes so that the children (ages 4-7) could follow me
- Volunteered cleaning out dry arroyos and tutored local elementary students

## Honors/Awards

**ACCESS Scholarship at University of Utah**

**Summer 2020- Present**

- Scholarship to promote success for women in STEM by encouraging research opportunities within a cohort
